Kotak Mahindra Bank

Savings account no.: 1311600347

Branch: Nehru road, Dombivli East

IFSC: KKBK0000628

- Mention the transaction code (in case of online transfer) or cheque number while filling up the online registration form.
- Registration process would be incomplete without the payment of the registration fee. Registration has to be completed latest by **5th December 2016.**
- Out of the applications received, a maximum of 100 students will be selected. The selected candidates will be informed through email by **20th December 2016.** List of selected candidates will be put up on www.raisingamathematician.com. Regret letters will not be sent to the candidates who are not selected. Selection of candidates by the committee will be final and no discussions in this regard would be encouraged.
- The program will be offered free of cost (including food and accommodation for the participant). The travel expense is to be borne by the student/school.
- Accommodation for accompanying parents/teachers is not available; they will have to manage it on their own.
- Parent/teacher accompanying the student will not be allowed to stay with the student during the program.
- A separate letter will be sent to the selected candidates with guidelines for attending the program.
- Please do not apply just because he/she is the top ranker of the class. The program is for those students who question a lot in Mathematics and not for those who accept it without being inquisitive.
