All Girls Math Nurture Camp (AG MNC) - Rural

ABOUT US

Raising A Mathematician Foundation[®]

RAISING A MATHEMATICIAN FOUNDATION (RAM)

RAM is a not-for-profit organization that has been contributing to the field of Mathematics education nationwide. From its flagship event, Raising A Mathematician Training Program (RAM_TP), and annual camps like Epsilon India, Math.Biz to workshops on modules like application of mathematics in finance, economics, computer science and physics, RAM focuses on making mathematics more engaging for the masses as well as students who are highly gifted in mathematics. Through programs like Mathematics Olympiad Training Program (MOTP) and Informatics Olympiad Training Program (IOTP), RAM engages with students round the year and trains them for the prestigious International Olympiad programs. Most of the programs are offered free or priced nominally. Need-based scholarships are also available to ensure those talented but financially deprived students are provided learning opportunities.

HAMARI LAADO FOUNDATION

Hamari Laado Foundation is a non-profit organization based in Rajasthan, dedicated to the empowerment and upliftment of women and girls from marginalized communities. The foundation works towards creating awareness about gender equality, education, and social justice, with a strong focus on improving access to resources for women in rural and underserved areas. Through various initiatives, Hamari Laado strives to break the cycle of poverty and illiteracy, empowering women to become leaders in their communities. With programs that focus on education, skill development, and social change, the foundation plays a crucial role in shaping a more equitable and inclusive society.

UMEED FOUNDATION

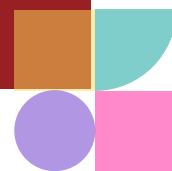

Umeed Social and Economic Development is a non-profit organization, incorporated under Section 25 of the Companies Act, 1956 (No. 1 of 1956). The company is private limited and founded by professionals from varying fields. Umeed Social and Economic Development is an NGO that works towards the betterment of children, youths, and women. They aim to serve the community by empowering them with facilities related to education, healthcare, and rural development initiatives.

GANIT JYOTI SHIVIR

Ganit Jyoti Shivar is a 5 day camp, inspired by the RAM's All Girls Math Nurture Camp (AG MNC) initiative, specifically designed to empowering young girls from Rajasthan's rural areas. This program aspires to inspire and nurture these bright minds by offering them unparalleled learning opportunities with renowned mathematicians and educators, fostering both knowledge and confidence for a brighter future.

ABOUT THE CAMP

OBJECTIVE OF THE CAMP

- **Empowerment through Education:** To provide girls from underprivileged backgrounds with access to high-quality education in mathematics, fostering confidence and self-reliance.
- **Inspire Future Leaders:** To ignite the passion for learning and leadership in young girls, encouraging them to pursue careers in fields traditionally underrepresented by women, especially in STEM.
- **Skill Development:** To enhance problem-solving, critical thinking, and analytical skills among participants, preparing them for future academic and career opportunities.
- **Create Awareness on Gender Equality:** To raise awareness about gender equality and empower girls to challenge societal norms, fostering a sense of independence and equality.
- **Nurture Personal Growth:** To support the holistic development of girls by building their self-esteem, resilience, and leadership qualities through mentorship and learning experiences.
